

Youth Ministry

The Youth Ministry provides a great opportunity for children to build a foundation in Christ in a setting that is fostered with a nurturing, educational, spiritual, biblically sound and age appropriate perspective. “Train up a child in the way he should go, and when he is old he will not depart from it.” (Proverbs 22:6 NKJV) The ministry is focused on developing young disciples of Jesus Christ who are committed to seeking God, shaping lives, and serving the world. We are passionate about drawing youth to Christ through innovative evangelism, discipling youth through creative, biblical teaching and developing youth for R.E.A.L. (Relevant, Empowered, Accountable, Loving) leadership.
